**6.Action\*\* Batoche**

Every local council member gave their feedback on how they felt Batoche went. Overall, they all agreed it was a good time, although most feel that people have gotten away from why we have Batoche in the first place. The pick-up of the trailers should be Monday. Jeremy Denomie suggested that there needs to be improved transportation for the Elders.

***Motion to book trailers and golf carts for each local for next year and place a deposit right away.***
